

Third Workshop on the Future of
Machine Learning in Geotechnics
Florence, Italy
October 15-17 2025

SPONSORSHIP OPPORTUNITIES

Dear Colleagues,

We are contacting you regarding the Third Workshop on the Future of Machine Learning in Geotechnics - 3FOMLIG, scheduled for October 15-17, 2025 in Florence, Italy. 3FOMLIG follows the success of previous events, bringing together researchers, practitioners, industry representatives, and students from around the world to explore the transformative potential of machine learning in geotechnical engineering and geosciences. The event will include invited presentations, technical sessions, panel discussions and networking opportunities, with the goal of fostering collaboration and innovation at the intersection of artificial intelligence and geosciences. Information about the event is available at www.fomlig2025.com.

We are reaching out to you to invite you to become a sponsor of 3FOMLIG. Sponsorship offers a unique opportunity to:

- showcase your brand or Institution to an international audience of researchers, practitioners, academics and students working in machine learning and geosciences.
- show your commitment to promoting the advancement of innovative technologies in engineering.
- build strategic partnerships with academic, professional, and industrial stakeholders.

We offer a variety of sponsorship packages, tailored to industry and academia, to meet different levels of involvement and visibility.

Industry sponsorship packages

- **Industry Platinum Sponsor:** recognition during keynote sessions; speaking opportunity (3 min) during the icebreaker event on October 15; free registration of one person at event; prominent logo placement on 3FOMLIG website and all event materials: € 5000
- **Industry Gold Sponsor:** recognition during keynote sessions; free registration of one person for the event; prominent logo placement on 3FOMLIG website and all event materials: € 2500
- **Industry Silver Sponsor:** prominent logo placement on 3FOMLIG website and all event materials: € 1250
- **Industry Bronze Sponsor:** logo placement on 3FOMLIG website and all event materials: € 625

Academia sponsorship packages

Academic institutions can sponsor 3FOMLIG by covering the registration fee for undergraduate and/or graduate students (€500 early bird fee before July 15; €600 full registration fee thereafter). The following packages are available:

- **Academia Platinum Sponsor** (registration of 8 or more students): recognition during keynote sessions; speaking opportunity (3 min) during the icebreaker event on October 15; prominent logo placement on 3FOMLIG website and all event materials.
- **Academia Gold Sponsor** (registration of 5 to 7 students): recognition during keynote sessions; prominent logo placement on 3FOMLIG website and all event materials.
- **Academia Silver Sponsor** (registration of 2 to 4 students): prominent logo placement on 3FOMLIG website and all event materials.

We would be happy to discuss customized sponsorship solutions to align with your organization's goals and priorities. If you have any questions or would like to discuss sponsorship opportunities further, or proceed with industry or academic sponsorships, please contact us directly at mze@georisk.eu. We thank you in advance for your attention.
